

Submission of a full Session by a Group

Please complete all the fields below. Incomplete submissions may not be considered.

You must fill out one form per submission.

The official conference language is English. All submissions and presentations must be made in English. Please note: diversity of speakers regarding gender, geography and race must be taken into consideration for each session.

Please return this form by September 30, 2025, via e-mail to program@icem2026.com

Session Topic:

Parameters

Time Frame*
(in minutes)

Preferred Presentation Format

(e.g., TED talks, fishbowl, flash talks, case-based sessions, panel discussions, speed networking, etc.)

*60 min sessions ≤ 4 speakers, 15min Q&A included; 90 min sessions ≤ 6 speakers, 22,5min Q&A included.

Single Presentations of up to 25 minutes are possible but the duration may be subject to change. While we try to take speakers' preferences into account, this cannot be guaranteed. When submissions are accepted, the time allotted for the specific presentations will be communicated.

Learning Objectives

(Please list 2-3)

Unique Selling Point (USP)

Required Personnel / Material Support On-Site (if applicable)

Have you presented the same topic before elsewhere?

(If yes, where and when)
